On behalf of Flagler Schools, Superintendent James Tager, and the African American Mentoring Program, it is with gratitude that we say, "thank you", for the hole sponsorship you have provided for the AAMP Biennial Golf Fundraiser.

Unfortunately, due to the COVID-19 Virus, it was required that we reschedule the tournament. In conjunction with the Hammock Dunes Golf Club, the new scheduled date is May 25<sup>th</sup> 2020. Therefore, your tee sign is safely stored and we will notify you immediately if there is any date change or cancellation.

Therefore, allow us to offer this letter as our sincere appreciation in advance, for your support of the Golf Tournament which is a crucial fundraising event for the Flagler County youth we are so honored to serve.

We are humbled by the continued support and enthusiasm we see from the community. Thank you once again for your contribution.
